We Are A Smoke Free Environment

The 50 / 50 Party

An ideal way to raise between \$200 and \$800. Great for PTA's, school groups, and youth organizations.

The organization sells tickets for, i.e. \$10 to attend a bowling fundraiser party which will include a 2 hour bowling party with shoe rental (can be regular bowling, glow bowling, 9 pin no-tap, red pins, etc.) Refreshments and prizes can be added. For each ticket sold the group keeps half i.e., \$5.00. If a person who bought a ticket does not attend the bowling fund raising party, the group gets to keep all of the ticket price.

EXAMPLE:

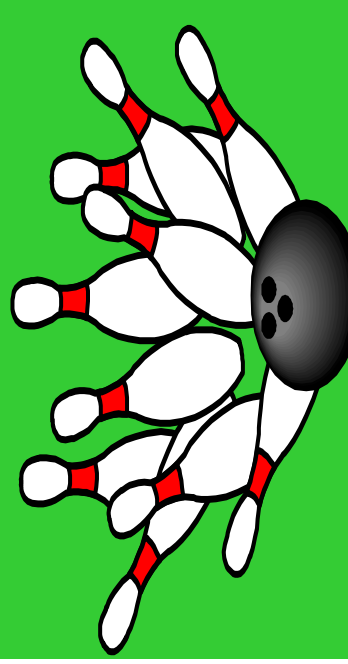

Group sells 80 tickets @ \$10 = \$800.
60 people show up at party x \$5 = \$300
20 people do not show up x \$10 = \$200
TOTAL RAISED= \$500

Rent the Center

Your group or organization would rent the Bowling Center on a per person / per lane basis for a certain amount of time. For example, if you had 80 people bowling on 16 lanes, rental fees would then be deducted and your fund would receive the remainder. Bowling shoes are included.

EXAMPLE: 128 people X \$10 = \$1280.00
 Less rental fee during normal Open Hrs when lanes are available 2 hrs = \$300
 After Hrs. Less Rental fee for 2 hrs=\$400
 Refreshments and Prizes can be added !!!!!

Total Raised \$980.00 or \$880

Action Packed Formats

Program Rebate

Form your own group program with members raising money every week! Here's how:

EXAMPLE: 8 teams of 4 = 32 bowlers
 Each bowler would contribute an extra \$1 per week above program costs
 48 bowlers x 20 weeks = \$640.00
 The center rebates an additional \$.50 per bowler

32 bowlers x \$.50 x 20 weeks = \$320

Total Raised= \$960

Celebrity Bowl

Your group might be able to hire a local celebrity, T.V. personality radio D.J., sports star or another type of well known local hero to bowl with you on your fund raising event. Each person who attends would pay a fee (i.e. \$25) to bowl with the celebrity.

Example: 40 people x \$25 = \$1000
 Less bowling center cost \$-300

Total Raised \$700

Bowl A Thon Pledge

Bowling

Each person in your group who planned to attend the bowling fund raising event would solicit pledges base upon the number of total pins knocked down by that person During the event. Pledges can also be based on per game.
 Some groups ask for \$5, \$10, \$15 per game pledge.

EXAMPLE : Average score per bowler per game is 135 pins .

Each bowler gets 15 pledges x .03/pin = .45

135 pins x \$.45 = \$60.75

50 bowlers x \$60.75 = \$3037.50

3 games x \$3037.50 = \$9112.50

Less cost of bowling = \$-400.00

Total Raised = \$8712.50
