4. With acceptance of the entry, we agree to abide by the tournament rules and warrant that we are USBC Members in good standing and will bowl on the lanes and time assigned to us.
5. No refunds of entry fees can be made after the closing deadline.
6. Bowlers may only bowl once in doubles and once in singles. If you enter doubles, you must enter singles or vice versa.

8. All entrants will be handicapped 85% from 210. Entrants will use their highest yearbook average for the 2017-2018 season with a minimum of 21 games. If no previous season average, use highest current USBC sanctioned league average of 15 games or more as of 4-1-2019. All others will bowl scratch. 10-pin rule WILL apply as of 4-1-19. If an individual average is 10 pins or more over the previous year with at least 21 games, she must report and use it. NOTE: Professional bowlers will be allowed to bowl under the following conditions: Will bowl scratch, only one professional bowler per team and doubles. Handicap will be on a minimum average of 115. All entrants must bowl in the order in which their names appear on the entry blank. In case of a substitution, an "All Event" entry can be transferred if the transfer is made before either of the bowlers involved have participated in any event of the tournament.
10. No change in Team or Doubles line-ups will be permitted even though substitutions are involved. Substitutions, or any changes in the original entry, must be reported to the Tournament Management at least one (1) hour prior to the time scheduled to bowl.
11. No corrections in scores or Handicaps, etc. will be made except within 24 hours after score is shot, except for obvious errors. Automatic score is the official score.

Prize winning shall be based on the submitted average if it is higher than the correct average. However, corrections in averages may be permitted up to the completion of the first game of a series.
13. The Tournament Management has the right to re-rate the average of any bowler who does not appear to have a true average, or they may refuse any entry which, in their eyes, is not a true average for the entrant. Must be re-rated prior to bowling time.
